International COVID-19 Overview

From CESAM's Average Agents

Dear all,

In this current context linked to COVID-19, our first thoughts go to our Networks, Average Agents, recommended by our CESAM Group. They're facing new challenges everyday as countries try to cope with the COVID-19 pandemic.

CESAM | Networks Unit
Mathilde DOCQUIERT

We would like to warmly thank our Average Agents for this precious collaboration. The following sheets are directly completed by them, without modification of CESAM.

If you have any questions, feel free to contact them.

1. Main measures taken by government (max. 2 lines of explanation for each measure)

- CONFINEMENT** : The purpose of the restrictions and recommendations in force during the coronavirus epidemic is to slow down and prevent the spread of the coronavirus in Finland, to safeguard the resource capacity and resilience of our healthcare system throughout the country, and to protect people, especially those who are the most at risk. Indoor and outdoor events with more than 50 persons may be permitted in October with special arrangements.
- NON ESSENTIAL BUSINESS' CLOSURE** :The restrictions concerning the opening hours, licensing hours and numbers of customers of food and beverage service businesses will be in place again starting from 8th of October.
- BORDERS' CLOSURE** : Every citizen of Finland always has the right to return to Finland, and everyone has the right to leave the country. The Government will reassess the need for and extent of the restrictions on entry once a week based on the epidemiological situation. See restrictions from here: <https://valtioneuvosto.fi/en/entry-restrictions> New approach to border traffic and travel from 23 November: In the new testing-based operating model, internal border controls will be replaced with health security measures. The model is set to be introduced on 23 November, and the transition period will begin on 1 October. With the new approach, passengers arriving from countries with a high incidence of COVID-19 must have a certificate of a negative COVID-19 test taken less than 72 hours prior to their arrival. As of 1 October, special groups and charter or group tours will be permitted to enter Finland even from high-incidence countries, subject to certain conditions. The conditions for work and other day-to-day interaction between border communities will be improved by allowing traffic at the northern land border and in ferry and air services to Estonia and Sweden without a test certificate and quarantine.

Medical assistance is allowed for any necessity, crew changes are possible without isolation and without Covid-19 testing, pass permits are granted for seafarers coming from non-risk areas but the port policy is to keep the seafarers onboard for their own protection. Repatriations in case of illness/injury/death are possible.

3. Inland transports' situation (max. 10 lines)

The public movement is generally unrestricted, except for some areas closed due to epidemiologic outbreak. Inland transportation of goods is possible without transporting personnel being submitted to isolation upon entering Romania and without Covid-19 testing.

4. Airports' situation (max 5 lines)

Flight services are limited with only few operators organizing flights and many flights being cancelled due to flight restrictions in place in various countries and restrictions banning Romanian citizens to enter various countries. The current status of flight services is fluctuant and changes frequently due to the international context and government measures taken in the context of these international changes.

1. Main measures taken by government (max. 2 lines of explanation for each measure)

CONFINEMENT : le Conseil de Gouvernement Marocain, réuni ce jeudi 07 janvier 2021 a décidé de prolonger l'état d'urgence sanitaire sur l'ensemble du territoire jusqu'au 10 février 2021. Cette décision est motivée par les efforts déployés pour lutter contre la propagation de la pandémie de Covid-19.

NON-BUSINESS' CLOSURE: Il s'agit aussi d'une fermeture des restaurants, des cafés, des commerces et des grandes surfaces tous les jours à 20h00, une interdiction des fêtes et des regroupements. De plus, à Casablanca, Agadir, Marrakech et Tanger une fermeture totale des restaurants a été décrétée.

BORDERS' CLOSURE:

OTHERS : l'interdiction du déplacement entre les préfectures et les provinces classées zone à risque, sauf en cas de nécessité extrême ou dans le cadre des déplacements des personnes travaillant dans les secteurs économiques ouverts outre le transport des marchandises et des produits de base.

2. Port's situation (max. 10 lines)

Les ports marocains poursuivent leurs activités dans le respect absolu des mesures sanitaires imposées par les autorités compétentes.

Dans les ports de commerce gérés par l'ANP, hors Tanger Med, la communauté portuaire continue à offrir ses services aux acteurs du commerce international. Au 31 mars 2020, le mouvement des échanges a fait ressortir une augmentation de 7,3% par rapport à la même période de l'année 2019, et une hausse de 1,4% de l'activité des conteneurs.

Le marasme économique à l'échelle mondiale et l'état d'urgence sanitaire au Maroc n'ont pas affecté l'activité d'import-export de marchandises au niveau de Tanger Med qui continue à recevoir camions et conteneurs contenant des marchandises à destination et en provenance de l'extérieur. Par ailleurs, les mouvements des gens de mer des navires de commerce sont autorisés depuis le 20 juin 2020. Toutefois, Ces mouvements, qui sont soumis à l'approbation préalable de la Direction de la Marine Marchande, doivent se faire dans le respect du cadre sanitaire édicté et adopté dans le Royaume.

3. Inland transports' situation (max. 10 lines)

4. Airports' situation (max 5 lines)

Le transport de passagers a été autorisé à partir du 15 juillet 2020, mais soumis à des conditions sanitaires. Le fret est toujours assuré. Tél. : (33.1) 58 56 96 00
Email : info@cesam.org
www.cesam.org

Strict control of parties authorized by current protocol. Failure to comply will entitle an economic sanction of 2 UR per person who remains in their premises.

NON-PROTOCOLIZED parties, in addition to the economic sanction, the criminal complaint is added.

Suspension of end-of-year parties in educational centres.

RECOMMENDED MEASURES

The voluntary use of Teleworking is encouraged for private companies throughout the country.

It is recommended to hold small social gatherings, with distancing measures, mask facial and ventilation, lasting no more than 2 hours.

Avoid all kinds of crowds in public spaces.

In case of suspected COVID contact, voluntary quarantine and request is recommended.

As from the 5th November, a deterioration in the COVID situation of this country was observed, which was accentuated in the last month, with an exponential growth in cases that endangers the permanence in the yellow zone in terms of pandemic control, according to Harvard criteria. The number of cases doubles in the order of fifteen days and, if this trend continues, the weekly average of daily cases could exceed 300 to enter the orange zone at the end of the year.
