International COVID-19 Overview

From CESAM's Average Agents

Dear all,

In this current context linked to COVID-19, our first thoughts go to our Networks, Average Agents, recommended by our CESAM Group. They're facing new challenges everyday as countries try to cope with the COVID-19 pandemic.

CESAM | International Department
Networks Unit
Mathilde DOCQUIERT

We would like to warmly thank our Average Agents for this precious collaboration. The following sheets are directly completed by them, without modification of CESAM.

If you have any questions, feel free to contact them.

1. Main measures taken by government (max. 2 lines of explanation for each measure)

CONFINEMENT : Restrictions may apply to a certain region or all of Finland. The regional restrictions and recommendations in place depend on the phase of the epidemic in the region in question. The restrictions in place aim reduce the number of contacts between people. The purpose of the restrictions is to ensure that Finland emerges from the crisis as quickly and with as little damage as possible. The measures aim to protect the lives and health of people, especially the most vulnerable. The decisions to impose restrictions take into account their impact on the epidemiological situation, the economy and people's wellbeing.

NON ESSENTIAL BUSINESS' CLOSURE : The authorities may introduce regional restrictions on business and leisure activities when this is necessary to prevent the spread of the epidemic. All restaurants may be open as of 19 April 2021. Restrictions on opening hours and customer numbers will continue to be in place as required by epidemiological situation in the area, and customers in restaurants should be guided to their seats. The situation will be reviewed on a weekly basis.

BORDERS' CLOSURE : Finland has in place restrictions on entry from almost all countries. The current restrictions are indispensable in order to slow down the spread of the pandemic. The restrictions on entry into Finland will run to 25 May 2021. Further details can be found from : <https://valtioneuvosto.fi/en/entry-restrictions>. Regional state administrative agencies may order travellers arriving in Finland to undergo a health check. If a person refuses to undergo a health check, a physician specialising in communicable diseases may place that person in quarantine for 14 days.

OTHERS : The authorities may introduce regional restrictions on events, business and leisure activities when this is necessary to prevent the spread of the epidemic. The restrictions may apply to the use of premises or the number of participants in activities, for example. The guidelines on good hygiene and safe distances are in force throughout the country. Event organisers are responsible for ensuring compliance with the guidelines in practice.

COVID-19 Overview

Date : 08/03/2021

Place/COUNTRY : Riga, Latvia

Name : SIA BALTIC KONTOR

Email : bkriga@bk.lv

Phone : +37167381463

1. Main measures taken by government (max. 2 lines of explanation for each measure)

CONFINEMENT :

NON ESSENTIAL BUSINESS' CLOSURE :

BORDERS' CLOSURE :

OTHERS : Travels to Latvia are allowed only in specific urgent necessity cases (see point 3 below); Use of face masks is compulsory in all enclosed spaces (including public transport/taxi). Face masks are also compulsory outside, in public gathering places; "2+2" rule (ie. only two persons are allowed to meet, keeping two-meter distance) must be observed, excluding limited situations (such as performance of work duties and etc.)

2. Port's situation (max. 10 lines)

Prior to entering the port all ship agents of all cargo ships calling at the ports shall provide the port authorities with accurate information on the composition of the ship's crew and the health status of all crew members. The crew of foreign-flagged vessels calling at the Latvian ports shall be prohibited from coming ashore, except the specific cases to be agreed upon when necessary for the normal operation of the ship. Crew change in Latvia is not prohibited if the transportation of the seafarer from Latvia can be arranged. It should be noted that in practice disembarkation of Covid-19 infected crewmembers from a ship to a special hotel is very complicated due to absence of special rules for transportation of such patients and reluctance of private carriers to accept Covid-19 positive passengers. Surveyors' attendance can be arranged without complications.

3. Inland transports' situation (max. 10 lines)

Since 26 of February 2021 a person is allowed to travel to Latvia only in case of urgent necessity due to work, for receiving of medical services, for transit, and in other cases specified by Cabinet Rules No.655 (clause 5.49.1.1). It is compulsory for all persons, who are planning to cross Latvian border, to complete an electronic form at the web portal <https://www.covidpass.lv/en/> before crossing the border. Entering Latvia all persons aged 12 and older are required to have a document confirming a negative COVID-19 test made at least 72 hours prior to boarding the carrier's transport. This requirement shall not apply to seafarers who must reach their work place aboard a ship or must return from it, and in other situations specified in point 35.4 of Cabinet Regulation No 360. After arriving from a country with a high incidence of COVID-19 (more than 50 cases per 100,000 inhabitants) a ten-day self-isolation is compulsory, except if the person has recovered from Covid-19, has antibodies, and this fact is confirmed by a medical statement.

Some companies require positive COVID test results to let surveyor into their premises. In workplaces employers have to provide additional security measures to their employees: employees must use gloves or have access to liquid disinfectants; individual persons must be at least 1.5 meters from each other. In practice some of large companies are working remotely (home-officing).

As at May 31st, 2021, Côte d'Ivoire has 47,292 confirmed cases, of which 46,702 people have been cured, 305 have died.

A total of 517 199 doses of COVID-19 vaccine have been administered in COTE D'IVOIRE. The country expects to vaccinate over 57% of its eligible population by the end of December 2022.

Furthermore, since mid-April 2021, a deficit in electricity production has plunged COTE D'IVOIRE into load shedding, forcing the electricity company to ration households and businesses. This energy crisis is causing disruption in several sectors of activity and therefore slowness and delays in the processing of information and certain obligations.

1. Main measures taken by government

- CONFINEMENT** : None.
- NON ESSENTIAL BUSINESS' CLOSURE** : Hotels and places of worship have been suspended in the 5 counties under lockdown.
- BORDERS' CLOSURE** : Borders are open.
- OTHERS** : The Government on 1 May 2021 eased the covid-19 containment measures by lifting lockdown restrictions on the five hinterland counties.

This may stimulate business activity at Mombasa port with more traffic coming in.

While there may be a bit of congestion on the roads it is unlikely to affect container cargo flow that is largely by rail and port operations are likely to remain normal.

2. Port's situation

Port operations are going on normally with adherence to the government laid measures of hand washing, sanitization, wearing of masks and working at home were applicable.

Kenya has begun to operate Lamu port which is situated about 341 Kilometers north east of Mombasa on 24 May 2021, this is expected to ease the vessel congestion scenarios witnessed at the port of Mombasa from time to time.

The port is expected to largely serve as a transshipment port, as well serving part of South Sudan and Ethiopia.

3. Inland transports' situation

Inland transportation has not been interruptive.

4. Airports' situation

Normal services are being offered.

5. Any import cargo treatment/decontamination (max 5 lines)

1. Main measures taken by government (max. 2 lines of explanation for each measure)

CONFINEMENT : Le Maroc a allégé les mesures sanitaires et a ouvert ses frontières depuis le 15 juin 2021, sous certaines conditions. Les autorités marocaines ont décidé la reprise des vols de et vers le Royaume à partir du mardi 15 juin 2021. Ces vols s'effectuent dans le cadre d'autorisations exceptionnelles vu que l'espace aérien marocain est toujours fermé. Cette ouverture progressive tient compte de l'évolution de la situation épidémiologique nationale et internationale et de la préservation des acquis réalisés par le Maroc pour endiguer la propagation de la pandémie Covid-19. A cet effet, il a été procédé à la classification des pays en deux listes, conformément aux recommandations du Ministère de la Santé, sur la base des données épidémiologiques officielles publiées par l'Organisation Mondiale de la Santé (OMS) ou par les pays eux-mêmes via leurs sites web officiels. Les voyageurs en provenance des pays étrangers peuvent avoir accès au territoire marocain, s'ils disposent d'un certificat de vaccination et/ou d'un résultat négatif d'un test PCR d'au moins 48 heures de la date d'entrée au territoire national. Selon le Ministère de la santé, les titulaires de certificats de vaccination étrangers bénéficieront des mêmes avantages accordés par le certificat de vaccination marocain.

NON ESSENTIAL BUSINESS' CLOSURE : Il s'agit aussi d'une fermeture des restaurants, des cafés, des commerces et des grandes surfaces tous les jours à 23h00.

BORDERS' CLOSURE : Les frontières marocaines seront ouvertes le 15 juin 2021, selon des conditions préalables.

OTHERS : L'interdiction de déplacement entre les préfectures et les provinces est maintenue, sauf en cas de nécessité extrême ou dans le cadre des déplacements des personnes travaillant dans les secteurs économiques ouverts outre le transport des marchandises et des produits de base, ainsi qu'aux titulaires des passeports de vaccination.

2. Port's situation (max. 10 lines)

Les ports marocains poursuivent leurs activités dans le respect absolu des mesures sanitaires imposées par les autorités compétentes. Le marasme économique à l'échelle mondiale et l'état d'urgence sanitaire au Maroc n'ont pas affecté l'activité d'import-export de marchandises au niveau de Tanger Med, qui continue à recevoir camions et conteneurs contenant des marchandises à destination et en provenance de l'extérieur. Par ailleurs, les mouvements des gens de mer des navires de commerce sont autorisés depuis le 20 juin 2020. Toutefois, Ces mouvements, qui sont soumis à l'approbation préalable de la Direction de la Marine Marchande, doivent se faire dans le respect du cadre sanitaire édicté et adopté dans le Royaume.

3. Inland transports' situation (max. 10 lines)

Néant

4. Airports' situation (max 5 lines)

Malheureusement, Le taux de reproduction de la Covid s'aggrave au Maroc. Le taux s'est aggravé à 1,3 au niveau national durant la dernière quinzaine (22 juin/05 juillet), a indiqué mardi le Ministère de la Santé dans son bilan bimensuel de la situation épidémiologique, faisant état d'une "augmentation notable" de 61,1% des cas positifs.

Le taux de reproduction "se situe loin de l'objectif qui est de 0,7 fixé dans le cadre du plan national de veille et de lutte contre la Covid-19", a averti le chef de la division des maladies transmissibles.

Alerte : Le Maroc va produire le vaccin anti-Covid. Le Roi Mohammed VI a présidé, ce lundi 5 juillet 2021 au Palais Royal de Fès, la cérémonie de lancement et de signature de conventions relatives au projet de fabrication et de mise en seringue au Maroc du vaccin anti-Covid19 et autres vaccins. Ce projet structurant s'inscrit dans le cadre de la volonté du Souverain de doter le Royaume de capacités industrielles et biotechnologiques complètes et intégrées, dédiées à la fabrication de vaccins au Maroc.

1. Main measures taken by government (max. 2 lines of explanation for each measure)

CONFINEMENT : Covid-19 situation in Bangladesh : The Government of Bangladesh has taken the following decisions in the current situation of (Covid-19) infection on 12.07.2021 : Bangladesh is currently under a 14-day lockdown imposed to tame an alarming surge in coronavirus infections across the country.

Starting on July 1, the nationwide strict lockdown will continue until July 14 midnight.

■ Covid-19 spike continues: The country has registered over 200 single day deaths on four of the last six days. A total of 1,247 people have died of the disease in the last six days. Among the 220 deceased, 142 were men and 78 women. Since July 1, a total of 121,699 people were infected and 2,156 died from the novel coronavirus. With the latest development, the total number of infections rose to 1,034,957 in the country.

■ Covid-19: Govt to set up field hospitals at private healthcare facilities: The government has taken the initiative to set up Covid-19 field hospitals at adequately equipped private healthcare facilities to deal with a looming shortage of hospital beds due to the surging number of infections in the country. The field hospitals will be set up at private facilities in all district headquarters, as well as in divisions where the infection rate is high.

■ Except for Friday, the number of positive cases has been over 11,000 for the last six days (since last Tuesday). The Covid-19 scene is becoming more catastrophic with no sign of relief. The country registered 13,768 cases in the 24 hours to 8am on 12-07-21, which is the highest single day caseload till now.

■ Mortality rate: The pandemic has so far claimed the lives of 11,650 men (70.02%) and 4,989 women (29.98%). The mortality rate against the total number of cases detected so far stands at 1.61%.

■ Covid Infection: When the lockdown was imposed, daily Covid-19 test positivity was around 24% but after 14 days the rate now stands at 31.46% according to the Directorate General of Health Services (DGHS).

Dhaka division recorded an infection rate of 31.26% yesterday while Chittagong had a 34.10% infection rate. Sylhet had the highest infection rate of 37.39% with 375 new cases on the same day. In Khulna (near to Indian border) the infection rate was 29.61% while it recorded 55 deaths.

■ Bangladesh may see dreadful peak in Covid-19 ahead of Eid, warn experts: Using a mathematical model, Bangladesh Como Modelling Group, a panel of local and international health experts, also said the number of daily cases is likely to cross 10,000-mark in mid-July, putting immense pressure on the country's healthcare system. Bangladesh is set to enter the toughest lockdown enforced till now from Thursday in a bid to control the alarming Covid-19 situation.

With the latest development, the total number of deaths reached 15,593 while the number of total infections rose to 977,568 in the country. The pandemic has, so far, claimed the lives of 11,002 men (70.56%) and 4,591 women (29.44%).

On the other hand, another 5,987 patients recovered from the infectious disease across the country, taking the total number of recovery to 850,502.

■ Bangladesh to relax Covid lockdown, let businesses, public transport operate ahead of Eid

The government has decided to relax the ongoing strict Covid-19 lockdown from Thursday till July 22, considering the upcoming Eid-ul-Azha.

During this time, cattle markets will remain open. Public transport will also resume on a limited scale and shopping malls and stores will be reopened while maintaining health guidelines.

All government offices will continue their activities online, but private offices will remain closed.

However, after the Eid holidays, the strict lockdown will be in place again for 14 more days from July 23.

Eid will be celebrated on July 21, according to a press note from the Press Information Department (PID).

■ The Cabinet Division has issued a gazette notification, saying that a two-week countrywide "strict lockdown" will start from July 23, 6:00am after an eight-day break. All government, non-government and autonomous organizations will remain closed. Operation of all vehicles, including public transport (river, rail and road), and domestic flights, will be suspended.

■ Hospitals : CMCH stops regular admission as Covid situation worsens: A majority of the patients are going to hospitals in critical condition

The 200-bed Covid ward of the hospital is already overwhelmed with patients, The authorities took the decision so that the doctors and nursing staffers could handle the Covid-19 patients better, The current caseload is over 1.4 lakh and more than 5,000 are in hospitals across the country.

As of yesterday noon, only 275 ICU beds out of 1,263 were vacant in 139 Covid hospitals nationwide.

■ The Covid-19 situation in the Capital & border districts: In Khulna (near to Indian border) the infection rate was 29.61% while it recorded 55 deaths. The DGHS says Khulna is currently the hotspot of Covid-19 in the country but Dhaka registered the highest number of deaths (64) in the last 24 hours. Dhaka saw 49.16% of the total deaths since the first death from Covid-19 on March 18 last year.

For more than a month, Khulna and Rajshahi divisions were the hotspots of the Delta variant of Covid-19. The situation worsened across the country over the last one week, especially in Rangpur and Chattogram divisions.

☒ **NON ESSENTIAL BUSINESS' CLOSURE** : Govt. & Private Offices: All government, semi-government, autonomous and private offices will be closed.

Bangladesh Bank: extends banking hours: Now banking to continue until 2:30pm instead of 1:30pm. Banks to remain closed on Sunday (July 11) Banks will remain open from 10:00am to 4:00pm; The new time will continue until July 14,

■ The Universities & Educational institutions:

Admitting the losses Bangladesh's education sector has suffered for the prolonged closure of educational institutions, Prime Minister Sheikh Hasina on Saturday said the government cannot put the lives of students at stake knowing it clearly that Covid-19 will infect them as well. The government is considering alternatives to SSC and HSC exams if it is not possible to conduct those even with a brief syllabus due to the coronavirus pandemic, said Education Minister. All the educational institutes 49 public and 107 private of the country have been shut since 17 March last year; will be remain closed till 31th July-21 to curb the Covid-19 transmission.

■ University Grants Commission (UGC), suggested that all public universities cut down the duration of the academic year and vacations to make up for academic losses due to the Covid-19 situation.

☒ **BORDERS' CLOSURE** : Border with India to remain closed for another 14 days: has been extended for another 14 days till July 14 amid the worsening Covid-19 situation in Bangladesh.

☒ **OTHERS** : Vaccination continues: Vaccine Co-Production: China waits for Bangladesh's go ahead : China is waiting for the nod from the Bangladesh government to start co-production of Covid-19 vaccines in the country. On Monday, 307 people received a second dose of the Oxford-Astrazeneca vaccine, taking the total to nearly 429,5218. Meanwhile, a little over 1.525 million people received the first dose of the vaccine and are awaiting the second dose.

☒ **NONE** : Businesses and services: Lockdowns to stop the spread of coronavirus both in Bangladesh and export destinations have deeply affected the country's exports, as they hit production as well as sales at outlets of global brands.

Demand is expected to decline further in the coming months.

2. Port's situation (max. 10 lines)

i. Colombo-bound ships to get priority in berthing: The Chittagong Port Authority (CPA) yesterday took some decisions, including prioritising berthing for Colombo-bound feeder vessels, aiming at clearing out exports piling up at private inland container depots (ICD).

ii. It will also give priority berthing to feeder vessels carrying export-laden containers.

iii. As of yesterday, 15,533 twenty-foot equivalent units (TEUs) of export-laden containers were waiting at 17 ICDs to be shifted to the Chattogram port for shipment, according to the Bangladesh Inland Container Depots Association (Bicda).

iv. Despite the various adversities, customs revenue at the Burimari land port in Patgram upazila of Lalmonirhat has achieved 95.89 per cent growth year-on-year.

3. Inland transports' situation (max. 10 lines)

- Public transports halted, malls shut as 'strict lockdown' begins in Bangladesh:

Trains will resume operating at half passenger capacity in each compartment from Thursday. Tickets will only be available online.

Harsh steps if health guidelines not followed in public transport: if health guidelines are not followed and social distancing is not maintained in public transport during the ongoing coronavirus crisis.

The government had stopped all forms of public transport, including buses, ahead of Eid-ul-Fitr. However, millions of people still left Dhaka for the vacation, despite appeals from the authorities not to do so as it would lead to a surge in Covid-19 transmission.

All types of vehicles except emergency goods carriers will be restricted to move, and only ambulances and medical personnel will be able to travel.

All shopping malls, markets, recreation centres, resorts, community centres, tourist spots will remain shut.

All public gatherings such as social (wedding ceremonies, birthdays, picnics, parties, etc), political and religious ceremonies will be closed.

- Travel Restrictions Land:

Movement of all modes of public transport except goods-laden vehicles and rickshaws will remain restricted and the members of law enforcement agencies will ensure it through regular patrolling.

- Private authorities of public and private offices concerned will arrange necessary vehicles to pick up and drop their staff.

4. Airports' situation (max 5 lines)

- Latest update: On-arrival visa suspension : Home Ministry on Thursday sent a letter to Civil Aviation and Tourism Ministry and Civil Aviation Authority of Bangladesh (CAAB), reminding them of the suspension of on-arrival visas. Due to Covid-19 pandemic, visa on-arrival had been closed since June 2020.

- Emirates' Bangladesh flight suspension extended till July 21: All incoming and outgoing passengers, International Restrictions: The suspension on inbound passenger flights from Bangladesh, India, Pakistan and Sri Lanka to the UAE has been extended until at least July 21,

*Entry to Bangladesh: Bangladesh authorities have said passengers arriving from coronavirus-affected countries, including the UK, should complete Health Declaration Forms and Passenger Locator Forms provided by cabin crew. You may be subjected to additional health screening measures at the airport.

*Medical certificate: On arrival in Bangladesh, all foreign nationals aged 10 years and over need to produce a medical certificate issued within 72 hours of travel indicating the passenger is COVID-19 negative. You should arrange to take a private test.

*Quarantine requirements: Bangladesh operates a number of quarantine regimes depending on passengers' circumstances: except children below age 10, require a PCR based COVID-19 negative certificate. The PCR test must be done within 72 hours of the flight departure time.

Travellers arriving from South Asian countries of Bangladesh, Nepal, Sri Lanka and Pakistan will now have to undergo 21 days of mandatory quarantine upon arrival in Malaysia, in light of the spread of variants of concern (VOC).

4. Airports' situation (max 5 lines)

All domestic flights are barred from and to Bangkok and other 13 provinces.

5. Any import cargo treatment/decontamination (max 5 lines)

- NO

6. Possibilities of surveys

- YES – Need more time for travelling**

Most of our BMSC field surveyors have been initially vaccinated (first jab of vaccination). Our surveyors can carry out survey at all ports and areas in Thailand but need much more time for traveling due to lockdown orders and curfew time (from 9PM to 4 AM) and no domestic flight available.

7. Specific information (max 5 lines)

Number of infected persons in Thailand have been drastically increasing to be more than 10,000 /daily. Slow vaccination rollout causes the quickly increasing of numbers of infections.

Today there were seven deaths, a figure identical to that of the day before.

To date 3,828 people have the disease (yesterday there were 4,082) of which 107 are hospitalized in CTI compared to 111 yesterday.

Today the departments of Maldonado and Rocha turned yellow in the Harvard University Index, which calculates the incidence of the disease per 100,000 inhabitants based on the average number of cases in the last seven days. In this way, the only ones that remain under the orange colour are Artigas, Paysandú, Canelones and Treinta y Tres.

At the country level, this index dropped 0.53 today, standing at 8.74.

Uruguay today exceeded 70% of people with at least one dose of coronavirus vaccine. 70.04% of the population had already received a dose of one of the vaccines, which is equivalent to 2,481,401 people. Meanwhile, 58.8% of the country's inhabitants had received the two doses, or 2,084,514 people.

Tonight a new batch of Pfizer-BioNTech vaccines of 120,510 units will arrive in the country.

The Australian government has banned the export of some equipment that could help efforts to stop the spread of COVID-19, including: disposable face masks, disposable gloves, disposable gowns, goggles, glasses or eye visors, alcohol wipes, hand sanitizer.

All commercial vessels must now use the Maritime Arrivals Reporting System (MARS) for all vessel pre-arrival reporting.

All vessels entering Australia that have a suspected case of COVID-19 on board will not be allowed to unload goods or disembark travellers until cleared to do so by the human biosecurity officer.

Where vessels have a suspected case of COVID-19 on board, a human biosecurity officer will screen for COVID-19, determine the appropriate course of action and issue directions.

3. Inland transports' situation (max. 10 lines)

NSW border restrictions and 14-day quarantine apply to travellers from areas of confirmed cases in Adelaide, Melbourne and Greater Brisbane. All other state borders are closed to NSW, VIC & SA with the exception of ACT whose borders remain open to NSW except to Travellers who have spent time in exposure sites within the Greater Sydney area.

Transport or freight of goods is exempt from border controls on the condition that the person performing the services must meet State exemption requirements; hold and display a border permit, wear a mask, practise social distancing, remain self-quarantined and submit a COVID-19 management plan.

Freight, transport or logistics operators may be required to show evidence of having received a negative COVID-19 test result and where entering Tasmania or Western Australia may also undergo screening and testing on arrival.
